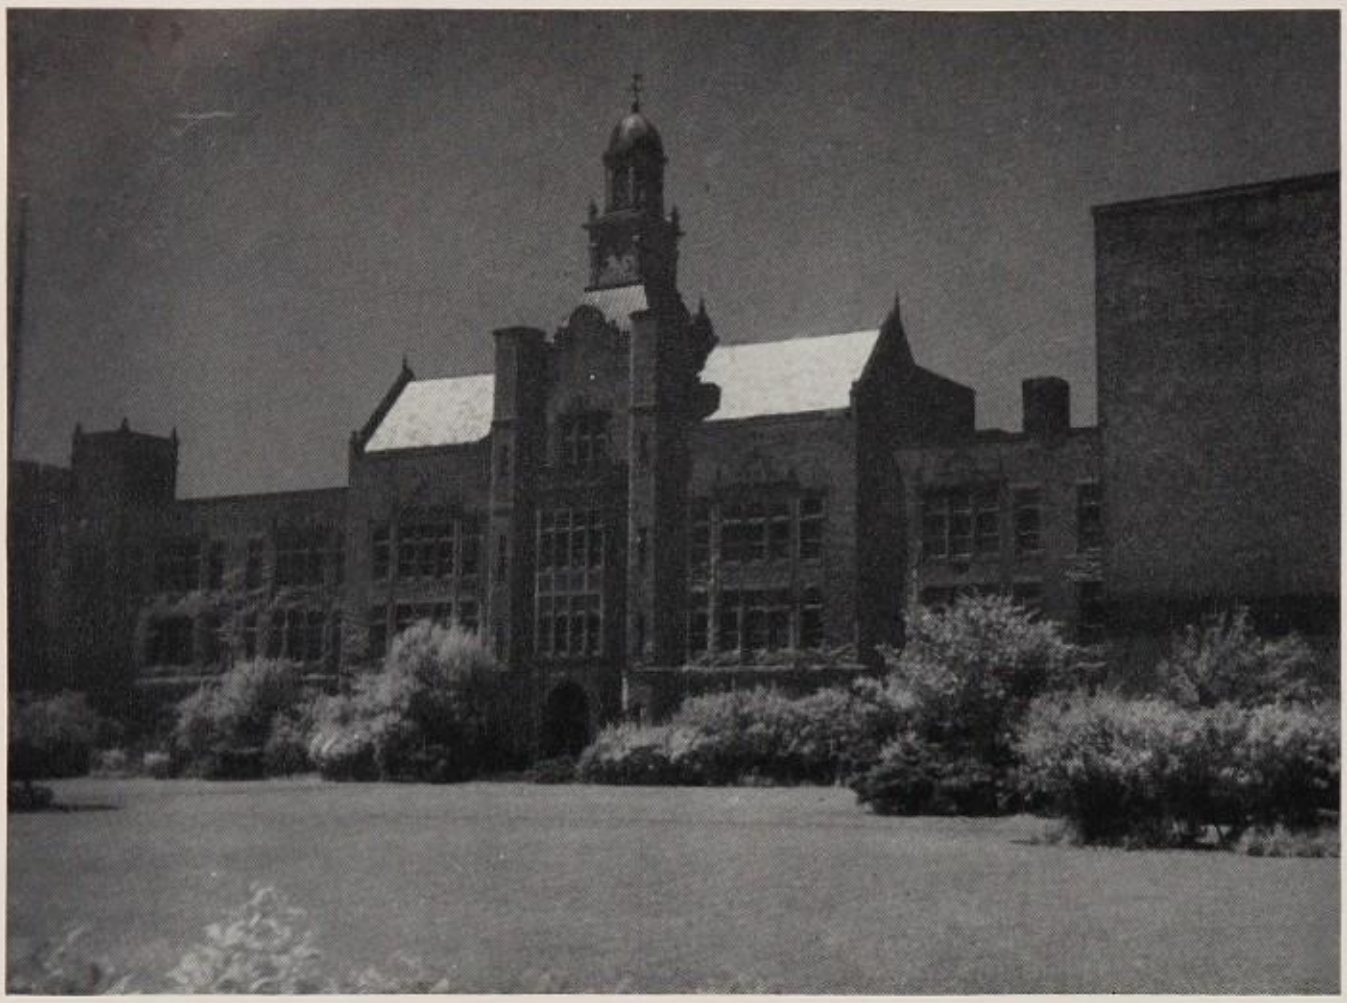
ALMA MATER



IN honor of dear Heights,
We gather here to sing,
To show our love and loyalty,
We'll let our voices ring.
All hail our Alma Mater;
All hail the Black and Gold,
And may those colors symbolize
The spirit we uphold—
And may those colors symbolize
The spirit we uphold.

The gold in dear Heights' colors,
Comes from the eastern skies,
It shows a shining future,
For our own belov'd Heights High.
Then rally 'round the standards,
Which bear our colors bright,
May it inspire in every heart,
A love for truth and right—
May it inspire in every heart,
A love for truth and right.

THE SPIRIT WE UPHOLD

What is this spirit you uphold?
Is it the spirit of democracy and unity?
Is it loyalty, friendship, and enthusiasm?
Is it honor or pride, ambition or pep?
Is it the spirit of work, of recreation, of prudence?

Yes, it is all these and more, stranger,
It is something more than an abstract idea.
It is a fellow doing a red-head's Spanish for her.
It is a guy bringing his physics experiment back, a letter man cramming for a test, a scholar measuring chemicals, a Latin student looking out of the classroom window, an English student trying to fathom Chaucer.
It is a curly-headed kid rising to a point of order.
It is a rewrite man making the deadline.
It is a bass player keeping the beat.
It is a jammed auditorium echoing with 'The Stars and Stripes'.
It is a blonde giving her all in a play, a brass quartet practicing, a fellow punching tickets at the football game, the yearbook staff arguing, the corridor guards joking.
It is a quintet of long-winded netters breaking through.

It is a valiant eleven holding on their own five.
It is a crowded grandstand reverberating with cheers.
It is the guy on the bench aching for action, the pole vaulter straining to make the bar, a swimmer finishing the last lap, a tennis player serving a fast one, a runner breaking the tape, a pitcher pulling through in a pinch.

It is a couple jitterbugging.
It is a fraternity group meeting.
It is the front hall between classes.
It is a co-ed preparing for a date, a party in full swing, the crowded cafeteria at lunchtime, a bunch of stags at an ice cream parlor, a senior hunting a tux.
It is the school itself—
the corridors, the lockers, the grandstand, the classroom, and the football field.

It is something tangible, stranger,
That's what this spirit is!

DEDICATION

"INTELLIGENCE, Power and Personality"; in these three borrowed words lies the success of geometry teacher Ralph Fraunfelter. Throughout a long and colorful career he has liberally bestowed his boundless wisdom in his own inimitable manner upon an ever growing throng of admirers. Due to his infinite store of practical advice he is known as "the sage of 125". A calm exterior hides the dynamic force of his personality which generates a fiery spirit for his school and an unswerving patriotism for his country. The humor which is characteristic of "Frauney's" anecdotes will remain with us long after our high school days are over. No glowing adjectives, no flowery phrases could adequately express the appreciation of the class of 1942 and, indeed, the whole school, for the years which Mr. Fraunfelter has so unselfishly devoted to the enlightenment of his students, his school, and his country.

The 1942 *Caldron* is, therefore, dedicated to Ralph M. Fraunfelter.

MARIAN L. WHITSEY

Safeguarding the unity, reputation and operation of the school is the department of administration consisting of six members. From his office in the Board of Education Building, Mr. Wiley keeps in close contact with the school and its operation. Upon the able shoulders of Mr. Morley, our principal, are heaped a thousand and one tasks and obligations which must be performed effectively to keep Heights in high gear. An assistant principal and Dean of Boys, Mr. Flint commands the respect which is necessary for his difficult position and at the same his geniality has won him many friends. Always on the "go", Miss Wallace, the Dean of Girls, is never too busy for a cheery greeting and a friendly smile.

In addition to her duties as Educational Counselor, Miss Whitsey finds time to act as advisor to the National Honor Society. The staff was augmented this year by the addition of Mr. Paul Meier as vocational advisor, a job which took on a new significance with the creation of new war-time employment opportunities.

Office and Library

THE five office secretaries have many different duties. They file records, take charge of college transfers, record attendance and grades, and attend to many other little things that are an aid to both teachers and students. Tribute should also be paid to the school treasurer, who keeps the finances in good order.

Heights has an excellent library suited to the special needs of high school students. Miss I. Case, the head librarian, should receive much credit for the fine work which is being done in this field. To supplement the courses offered in the curriculum at Heights, there are some thirteen thousand periodicals, novels, biographies, travel, and reference books which are kept in constant use.

English Department

MISS MABEL MASON is the new head of the largest department at Heights, the English Department, with a staff ofnineteen. The department is constantly alert for ways in which this fine course of study may be changed to be made even more profitable for the student. Those students majoring in business may take a special English course which stresses vocational work. Varied courses in this field are offered in dramatics, stage craft, news writing, and public speaking for those interested.

English Department

The majority of Heights students take three years of English. American Literature is the main subject of study of sophomore English, while a variety of famous literary works is included in the junior year. English Literature, beginning with "Beowulf" and ending with recent and contemporary compositions, is studied by students in senior classes. Considerable time is devoted to creative writing and the study of grammar in each semester.

Science Department

MR. NORRIS is the head of the Science Department at Heights, which offers six semesters of science, biology, chemistry, and physics.

A foundation of chemistry is given to approximately three hundred and sixty students by Mr. Langmead and Mr. Norris, the two teachers connected with this field. The course is concerned with the study of substances and the transformation which they undergo.

Knowledge concerning plants, animals, the body structure and its functions, and proper living habits is extended to some six hundred students by the four teachers in the biology department.

About one hundred and sixty students take the physics course, which is the mechanics of gases, liquids, and solids; and the study of sound, light, and electricity.

The Science Department aims to develop the minds of young people in the powers of observation and analysis with the ultimate purpose of making better citizens.

"THE science which treats of the exact relations existing between quantities or magnitudes and operations, and of the methods by which, in accordance with these relations, quantities sought are deducible from others known"—that's mathematics. Chopping this definition down to a point where we can get at it, we discover that mathematics as they are taught at Heights is a collection of subjects designed to promote clear and accurate thinking, skill in mathematical computation, and a marked ability in applying fundamental mathematical principles to practical problems.

As a factor in modern warfare, the science of mathematics cannot be overemphasized. Recognition of this fact caused the entrance of Mathew D. Phillips, former head of our Math Department, into the armed service of our country. But Mr. Budde, Mr. Cox, Mr. Fraunfelter, Mr. Harter, Mr. McLaughlin, and Mr. Strauss will agree with Mr. Phillips that the force of their specialty is yet more potent when harnessed to the development of civilization in peacetime.

Language Department

AN eight semester course in Latin and French, a four semester course in German and Spanish are offered by the Language Department at Heights.

The Latin department, of which Miss Edwards is the head, opens the study of Latin each semester to approximately three hundred and fifty students. The fundamentals of grammar are studied during the first three semesters of French, then the student is given short stories and plays. For German this procedure is reversed. Spanish is fast becoming one of the most popular languages taught at Heights as a result of this country's new attitude toward the South American countries.

Arts Department

NUMEROUS courses are offered by the Fine Arts Department through which the Heights student may give vent to his artistic talents. The orchestra, band and choir are three great attractions of the high school and have placed first in many local and national contests. Upon the completion of the six-semester art course, one is prepared to enter art school.

Preparing the student for practical pursuits are the courses in the machine shops, mechanical drawing, sewing and cooking. In the machine shop, a student has a chance to excel in one of three skills, metal work, wood craft, or in auto mechanics. Anyone studying to be a draftsman can get valuable training in this field in the six-semester mechanical drawing course. At the completion of the two-year cooking course a pupil has a complete knowledge of foods, budgets, and menu planning. In six semesters a student can learn the fundamentals of sewing.

History Department

TODAY, as never before, a well-rounded background in history is essential. While history is being born around us, it is our capable staff of instructors who teach us to sift and understand the facts upon which our historical knowledge is founded.

In addition to American History, a year of which is required by law for graduation, the Department offers Ancient, Medieval and Modern History, Economics, and Social Problems. From these courses of study a comprehensive acquaintance with the world's history and basic problems can be reached.

Stepping aside from its regular curriculum, the department, headed by Mr. Paul Nash, has sponsored in each of the last two years, a special trip to Washington by four worthy and deserving Heights' studen's.

Commercial Department

A VARIETY of courses is offered by the Commercial Department, which can thoroughly prepare a student for a commercial position in the business world. One year courses in Commercial Mathematics and Commercial Law and a one semester course in Commercial English are given. Two-year courses in typing, shorthand, and bookkeeping are given. Thus there is the possibility of a major or a minor in these commercial courses.

The Commercial Department, under the able supervision of Mr. P. A. Cooley, has arranged and coordinated its courses in such a way that they prove profitable not only to the student who wishes to enter the business world after graduation, but also to the student who plans to continue his education at college.

Physical Education Department

THE Physical Education Department is one department which is familiar to every pupil. Sports in keeping with the seasons are offered. Heights requires three periods of physical education a week for the sophomores and juniors and two periods for seniors. A large percentage of boys and girls enter into after-school sports in addition to required gym. The boys go out for varsity football, basketball, baseball, swimming, track, golf, tennis and intramurals. The girls participate in field hockey, basketball, baseball, swimming and tennis.

Also included in the Physical Education Department is hygiene, a requirement for juniors. The fundamental principles of good health are taught by Miss Weller and Mr. Bird.

The health of the entire student body is the problem of Miss Kritter, the school nurse, and Dr. Lockhart. All seniors are fluoroscoped for tuberculosis and given the audiometer test. The nurse excludes students because of illness, gives admittance slips to those who have been absent for three or more days, and administers first aid.

PRESIDENT. An outstanding student at Heights—that's DICK CROSBY, genial president of the January class. Tall and good-looking, he is friendly and popular, and always enjoys a good laugh. Knowing Dick, we're sure he'll be as successful at college as he has been at Heights.

VICE-PRESIDENT. Vice-president of this class is easy-going ART DAWLEY. With his pleasant drawl, that twinkle in his eyes, and his cheerful personality, he is extremely popular with everyone. A real prankster, a real friend, and a swell fellow—that's our boy Art, the "Andy Hardy" of Heights.

SECRETARY. Popular, petite, and pretty—that describes RITA TRUE, secretary of the January class. Brilliant in her studies and energetically working in many activities, Rita has chalked up an enviable record at Heights. She's a sure-fire choice for secretary; here's wishing her further good luck at college.

TREASURER. This January class office is capably filled by BOB WRIGHT. Bob's extra-pleasant personality and friendly smile have won him much popularity at Heights. For all his easy-going nature, tall, lanky Bob is a hard-working honor student, and he will be missed when he leaves Heights.

PRESIDENT. To "tall, dark, and handsome" SAM SHEPPARD falls the honor of being elected president of his class, not only as a senior, but as sophomore and junior also. During his stay at Heights, football, basketball, and many other activities have claimed his attention. Popular Sam really "belongs" as class president.

VICE-PRESIDENT. A cheerful smile, a pleasant drawl, and an abundance of friendliness—these characterize BILL BANKS, good-looking vice-president of the June class. Extremely popular, Bill has personality plus: combining this with football, activities, and good scholarship, Bill is really an "all-around" swell fellow.

SECRETARY. A familiar figure around school is MARGE KING—always bubbling over with energy, she works hard in her many activities. Nor do her grades ever suffer. Friendly and good-natured, this charming secretary of the June class has won many friends and much recognition for herself at Heights.

TREASURER. Tall, pretty JEAN GAFFNEY, quietly attending to her many varied tasks around school, is the treasurer of the June class. A brilliant and very active student, Jean has been awarded the D.A.R. Good Citizenship award. With her pleasant friendliness, she is well liked by all her many friends.

Aww.
You and I have
been good friends
a long time and
as far as I'm con-
cerned I hope we
will always be.
Best of luck
Sandra Lee if
you ever
me

STUDENT LIFE

"Reflect that life, like every other blessing,
Derives its value from its use alone."
Samuel Johnson—"Irene"—Act III

Outstanding Graduates

TALL, with blonde curly hair, personality plus, and a notorious sense of humor—that's none other than John Richard Crosby. Dick or "Pachy" (short for pachyderm), as he is more commonly known, was president of his Senior Class and presided over the National Honor Society. Besides being Business Manager of the Caldron, Dick was one of four Heights students to attend the Washington Institute in 1941. Dick added his inimitable vigor to both Delta and Beta Hi-Y's and to the Booster's Club. A veritable Caruso, Dick was a student leader of the A Cappella Choir. Although he is interested in Chemical Engineering, there is nothing acid about his humor nor base about his character. Lots of luck at either Case or Purdue.

Dick Crosby

Rita True

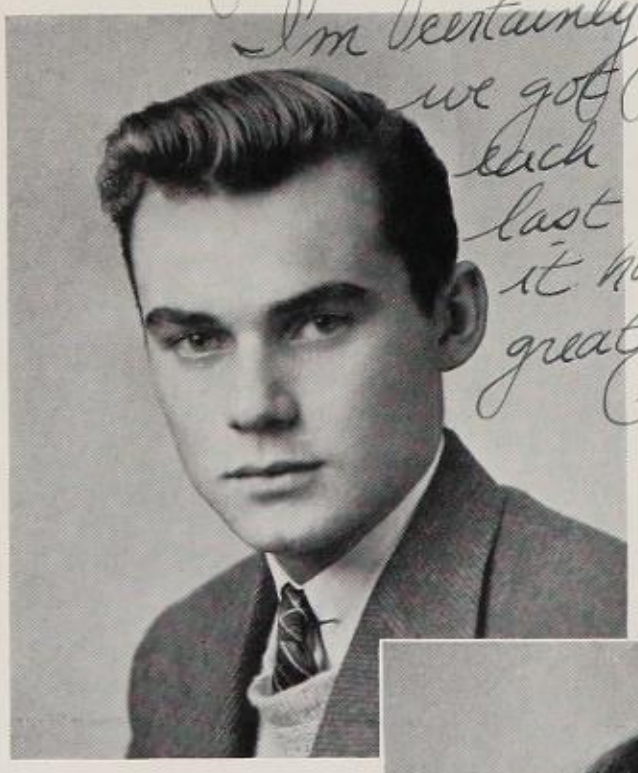
A CHARMING personality, sociability, intelligence, and good looks might describe petite Rita True, outstanding girl graduate of the January class. Rating high in literary talent, Rita was in both the Junior and Senior Literary Clubs. She was also a member of the Hermes staff, handling Latin with equal facility as she did English. Known for her friendliness and good nature, both of which seemed to be her ever-present characteristics, Rita was popular with all. Possessing a fine voice, she was an ardent and active booster of the A Cappella Choir. An excellent report card was standard equipment for her, and she was an energetic member of the National Honor Society. In her junior and senior years Rita was secretary of her class. She was also a competent treasurer of the Boosters' Club. Ohio Wesleyan, where she hopes to enter on a well-deserved scholarship, is her college goal. Her ambition is to become a women's buyer.'

Best of good wishes, Sam. You're a grand fellow and one of the best of friends. I'm certainly glad that we got to know each other this last semester for it has meant a great deal to me.
Bob.

Bob Rochelle

June

DISTINGUISHED, straightforward, clean-cut Bob Rochelle closes his high school career selected Outstanding Graduate of his senior class. Carrying through with a fine seven semester record both in scholarship and extra-curricular activities, Bob led his class in all fields. Elected President of the Student Council for the 1941-1942 term, he has ably represented Heights at many inter-scholastic conferences. Under his direction the Council launched a number of new projects, among them a huge newspaper and coat-hanger sale. Bob has attained straight "A" grades for many of his junior high and high school years. As hard-working member of N.H.S. he set the pace for many of his classmates. In his senior year Bob was appointed as one of the Heights representatives to the National Institute of Government for Secondary Schools at Washington D. C. Vice-President of Beta Hi-Y, Secretary of Combined Hi-Y, Business Manager of the Crest, active in a dozen clubs and President of the General War Council, Bob is truly an outstanding June graduate.



Marge King

BRIGHT, vivacious, attractive Marge King was a sure choice for the title of Outstanding Girl Graduate of June, 1942. Popular "Marge," as she is known to her friends, has led an enviable high school career. During her three years at Heights she has attained consistent high scholastic rating, and was elected to the National Honor Society as a junior. Marge was in both the Senior and Junior Literary Clubs. She was appointed chairman of the Girls' Cabinet as a senior, and was also secretary of her class at that time. Running over with pep and school spirit, Marge was active in the Student Council, Boosters' Club, Modern Dance, A Cappella Choir, Girls' Athletic Association, and Heights Players. She was a talented and capable leader in anything she undertook, carrying everything she started through to the finish. Marge did a brilliant job as one of the first Heights representatives to the National Institute of Government for Secondary Schools, held at Washington D. C. in the spring of 1941. A good speaker and close observer, she brought back a comprehensive report to the student body.

Assemblies

Semester I

UNDER the able direction of Miss Tyler and her committee the weekly assembly programs took on fresh color and entertainment value during the first semester. A new system was inaugurated through which the upper and lower classes alternate a long homeroom period with the assembly. In this way, each class sees an assembly every two weeks and has the benefits of a long class or homeroom business meeting at least twice a month.

Several of the programs stood out as possessing high popularity and audience appeal. They appeared as top scorers in the annual poll taken of assemblies at the end of the semester . . . . . Starting off both the assemblies and the football season with a mountain of pep and enthusiasm, the Boosters' Club staged a mammoth sports rally at the opening of the second week of school . . . . Supplying Heights students with culture even in small doses is considered a task beyond accomplishment, but the Cleveland Trust movie, *Song of a City*, did just that. It went over with a bang, rating all-out applause from everyone . . . . The Black and Gold put on a new trick by offering a humorous version of those gory details behind every good newspaper . . . . Featuring international good-will complete with the Spirit of Democracy, the traditional All Girls Assembly this year took visiting Pan-American representatives on a tour of Heights . . . . The January class clowned its way out of school with a Super Talent Show that also lasted just a bit super-long. Combining the hysterical with the ridiculous the senior class put over an entertaining assembly . . . . Winding up the semester the ever-popular Sam Campbell brought his beautiful pictures and fine nature lecture to Heights for the fifth time.

Assemblies

Semester II

DETERMINED to benefit by both faults and virtues of the past semester, the Assembly Committee, under the direction of Miss Tyler, undertook the enormous task of a school-wide poll in order to grade all fall assemblies as "Outstanding, Good, Poor, or Unworthy of Mention." Top honors went to the popular Sam Campbell lecture. Second was taken by George Campbell, the tale of his life in darkness, and "rhythm with a boogie-beat" won out as the Congo Boys placed third. Running fourth was the hilarious Final Senior Talent, "This Is Why We're Leaving", Show. In fifth place was the novel Black and Gold "extravaganza," staged by Miss Tyler, using any and all "idiots" in the school to furnish laughs for the hard-to-please student body. Both sixth and seventh ranks were captured by the Music department as the band, orchestra, and choir presented previews of their future concerts. Also on the poll ballots were invitations for comment regarding the assembly schedule of third period, alternate weeks programs. Although exact tabulation of this was impossible, a change was instituted that gave noon movies straight through the week, fifth and sixth periods being shortened to accommodate both a boys' and girls' showing.

With the vote as a basis for the spring semester shows, the Assembly Committee arranged a much improved series of programs. Outstanding among those of the second semester was a lecture given by a Blackfoot Indian—a debate between Herbert Cohn, Dick Anliot for the affirmative, and Jack Frankel, Sheldon Gerson for negative, with honors going to Cohn and Anliot—and an extra special band concert as a preview for their coming spring appearance.

Senior Prom

A MYSTERIOUS, bewitching garden, complete with highlights and latticework, was the scene of the 1942 Senior Prom. In this setting over five hundred eager students, complete with bow ties, dancing pumps, and best manners, danced to the tuneful rhythms of Bill Porter and his band. It was the largest crowd ever to attend a Prom. Thanks to the genius of Ed Smith, no one realized that the dimly lighted garden was trampled by the lusty feet of Cadet Leaders. After the somewhat confused Grand March, led by Dick Crosby and Mary Harp, Sam Sheppard and Marilyn Reese, gardenias and patriotic programs were distributed to the dancers. Frequent visits were made by all to the stage where punch and cookies revived the weary but happy seniors. Dancing ended in time for all good Cinderellas and Prince Charmings to be "home" soon after the witching hour. Another prom and another unforgettable memory.

Jo - really super-guy - the very best of everything Sam!
Bob Baron

Here we present the Senior Prom as seen through the eyes of "typical" Heights studes. Any resemblance to Bob Baron and Doris Weeks is purely intentional. In the first shot we see Bob endeavoring to look pleasant in front of his mirror while adjusting a bow tie. Those suspenders are exactly where they seem to be, and the pants are held up by imagination—yours, mine, and Bob's. He looks about ready for a padded cell, doesn't he—well he is, so shut up! In the second picture our hero has just alighted from his Cadillac convertible and is greeted breathlessly —pant-pant—at the door by his date. (Note drool on chin). The third photo shows our handsome couple drifting dreamily through the warm spring night (warm spring night—you know—that's short for "howling blizzard.") There's that Cadillac convertible again. In the next one the happy hero and his lady trip lightly up the stairs, anticipation written over their shining countenances. After this it's easy! You just walk up to the guards, let them search you, step through the electric eye, and tap gently 300 times on the steel gate. Well, whata' yuh know—you're in. Amazingly simple when you know how. AHA!! Here's what we've been waiting for. At last the big moment has arrived. We dance. Beautiful, just beautiful. The dancing I mean—yes, of course, the dancing. Well, here we are again. What's this? The milk, you dope, or don't you drink the stuff. What if it does come after dawn. They went to the PROM!!!

Atlantic City—or am I dreaming!

All this and chocolate milk too!

Eat, wolf, and be merry—for tomorrow we may have a test!

We were dancing (from the picture of the same name)

Underclass Events

JUST a month late for Valentine's Day the under classmen jived out at the annual Junior Informal on March 14. Music by Sheppard and Murphy blended with a huge quantity of chocolate milk and cookies to make all students enjoy the evening to the utmost. The sophomores earlier in the year whizzed along at Skateland where they held a rousing skating party. Amidst falls, bumps, and scrapes the sophomores managed to become more or less well acquainted with each other. All under-class girls were entertained at the annual Girls' George Washington Party. Each homeroom group put on a skit, many of which were all too easily recognized "take-offs" on high school life. First prize winner was 227, a BI homeroom. The girls enacted "A Poem of Adolescence" to capture the top ranking of the party. "A Murder Mystery," complete with a fine burlesque on detective stories, took second prize for CII homeroom 115. Dancing and refreshments followed the skits.

Concerts

MUSICAL concerts delivered in traditional Heights style, possess that little "something extra" needed to put them over the top in a grand way.

Behind the fine music, perfect coordination, and expert technique, however, lie hours of constant and laborious practice. Sessions, often lasting until long after school time, are held in the music rooms up in the top of the building. Late-goers from student activities are sometimes treated to a free program of band, orchestra, or choir music on nights just preceding important concerts. For hours on end the musicians play to an empty house, the sound echoing and re-echoing in the dim auditorium, through the corridors occupied only by a few cleaning women and a teacher or two.

The night of the concert finds a packed auditorium. Students and their dates, teachers with their families, parents, brothers, sisters, and all the rest that go to make up a cross-section of the entire community. They enjoy this music made by their own sons and daughters, their neighbors, and their friends. A feeling of comradeship exists between these groups, a Cleveland Heights band, orchestra, or choir playing for a Cleveland Heights audience. They enjoy each other. And that's as it should be, for it's out of stuff such as this that our American communities are formed, and true community bonds are strengthened. We need more of them. We need to realize that we have a "real" high school capable of producing "real" music for the appreciation of a "real" community.

★ ★ ★

A BETTER than average year was prophesied for the entire music department and "better than average" it was. The band came in for a great share of applause at a concert sponsored by the League of Women Voters on Friday, February 27, at Halle's Auditorium. In the Greater Cleveland Solo and Ensemble Contest the band and orchestra took nine "firsts" and twelve "seconds." March 27 saw the band and orchestra present their Thirteenth Anniversary Spring Concert in the auditorium to a capacity crowd. In May, Heights played host to the bands of the entire Lake Erie League in a mammoth combined musicale.

The A Cappella Choir came through with its usual fine performances enhanced by the addition of new robes. Singing in magnificent Christmas Concert the Choir again insured steady popularity with the student body. The tenth choral festival of the Lake Erie League schools took place on March 13 at Kirk Junior High school in East Cleveland. The Heights Choir chose for their part the "Sanctus" from the "Pope Macellus" Mass, Palestrina, and two arrangements by Mr. Stricking—"Stodola Pumpa," and a modern version of "Dem Golden Slippers."

Productions

MIDWAY in July the school will probably still remember the Heights Players' successful production of "Death Takes A Holiday." A beautiful set met the critical eyes of an amazed Heights audience as Joe Schlafman went through the difficult portrayal of Death and the enchanting Prince Zerki. Weird shadows were created, adding to the eerie atmosphere, but probably best remembered of all will be the half-hour pause of total darkness caused by rowdies who tried unsuccessfully to ruin the show. The players showed remarkable poise and calmness in making the "show go on," and finished the production in professional style.

SPEEDING up to wartime tempo, the Heights Players, under the competent direction of "Doc" Evans, presented the play "Army Red" twice a day for two succeeding Sundays. The Cleveland Heights Civilian Defense Council requested the production of the play in order to familiarize the public with the fundamental principles of air raid protection. Written by John Price, a former Heights student now at Reserve, it was intended to arouse the interest of the community in air raid drills and prevention of disaster. "Fun to be Free", a patriotic drama, was given as a prologue.

THE annual Club show, biggest and best musical of the year —barring Broadway and "Louisiana Purchase"—turned up on April 10 to the delight and enjoyment of a laughing audience. A three act revue, the show was the brain child of authors Bob Baron, Bill Blau, and Joe Berg. The stars of the show included Bill Banks, Sy Rosen, Doug Meaden, Bob Grandy, Sandy Arons, Sam Sheppard, as well as the three authors. Beauty was furnished by Marilyn Wood, Elaine Chamberlain, and Mary Lou Olson. The Highlight of the main hysteria was the boxing match starring the flying fists of Ed Sweeney and "Andy" Anderson. Dan Desberg contributed one of his famous specialty "sessions," and Dick Geary "showed 'em how" with a gentle little period of exercise.

The Passing Parade

SEPTEMBER

8—Cuyahoga River dredged for bodies as school begins. Police probe mass suicides.

9—Shades of Fu Manchu! Mystic chimes add oriental flavor to classroom dismissals.

14—Bengal gridders found stiff in joints (joints—you know—bones) after practice sessions. Van gets tough on training.

18—Columbus system proven obsolete as world's swiftest typist beats out torrid tattoo for Commercial Club.

20—In the season's initial tilt high scoring Canton Lehman (no relation to Oscar) grid machine defeats Heights 6-0.

23—Black and Gold editors J. K. Sunshine and Jimmy Greenfield launch paper's subscription drive with hysterical assembly.

27—Flashy Lakewood backfield spells "thumbs down" for Tigers. Again board shows 6-0. Monotonous, isn't it! Read on, Read on!

OCTOBER

4—Hilltoppers step into victory column and pulverize Lorain in 6-0 riot. Riot—you know—that's short for a tight squeeze.

7—George Campbell, former blind boy, gives spell-binding speech on his life in darkness.

8—Mass skipping of classes as Caldron has underclass photos taken. Quick with the birdie, Joe!

11—Bengals turn on the heat—gore groping Glenvilles 26-7. Lovely isn't it.

17—Loyal Hilltopper congregation sees Tigers whip Elyria 13-0 under the arcs. Crowd gnashes teeth as referee blunders into touchdown (we said) play.

22—Heights heeds Community Fund's "Defend The Home Front" slogan and rings the register to the tune of $400.

24—Blissful boys get 40 minutes heart and nerve treatment as annual All Girls assembly is held. Latin America is theme but "good neighbor" policy is violated by secret session.

24—First outdoor pep rally proves to be super brainstorm idea as happy studes make hep with the pep.

25—Shaker backfield flashes Chicago Bear technique but Tiger steamroller switches on the juice and fries Red Raiders to a deep purple.

31—Masquerading goblins and witches leave CI girls limp with terror at annual Hallowe'en Party. Hi-Y boys entertain the lucky, lucky ladies.

The Passing Parade

NOVEMBER

3—Cagers limber up for coming season in easy practice drills. (Easy—you know, that's the abbreviation for heart-ripping, muscle-tearing, bone-shattering, blood-spilling hours of scrimmage).

8—In an unforgetable thriller Heights ties Shaw's Cardinals 0-0 at Shaw stadium. T. Dorsey on hand to lead rival bands. Calls band contest a draw in face of 7,000 screaming madmen. (We always liked Glenn Miller anyhow).

9—Crest staff, chaperoned by Jim Sheedy, launches subscription drive.

11—School pauses thoughtfully in tribute to Americans who "made good" twenty-five years ago. Miss Tyler stages inspiring assembly. Democratic students in a democratic school realize what democracy means.

14—Musicians of "note" gather at annual Military Ball. Forsake marches and symphonies for classics a la Goodman, Miller, and Dorsey.

19—Annual Fall Pop Concert proves great success as Band and Orchestra offer skillful classical renditions.

19—Students bag groceries as baskets pile up for needy families. Boys delighted to pack 200 lb. crates from third floor down to ramp.

24—Bureau of Missing Persons (absence bulletin) proves that turkeys don't do all the gobblin'.

27—Free admissions lure AI's to successful swim-dance funfest.

28—Football and cross-country-track receive hard earned letters plus acclaim of studes.

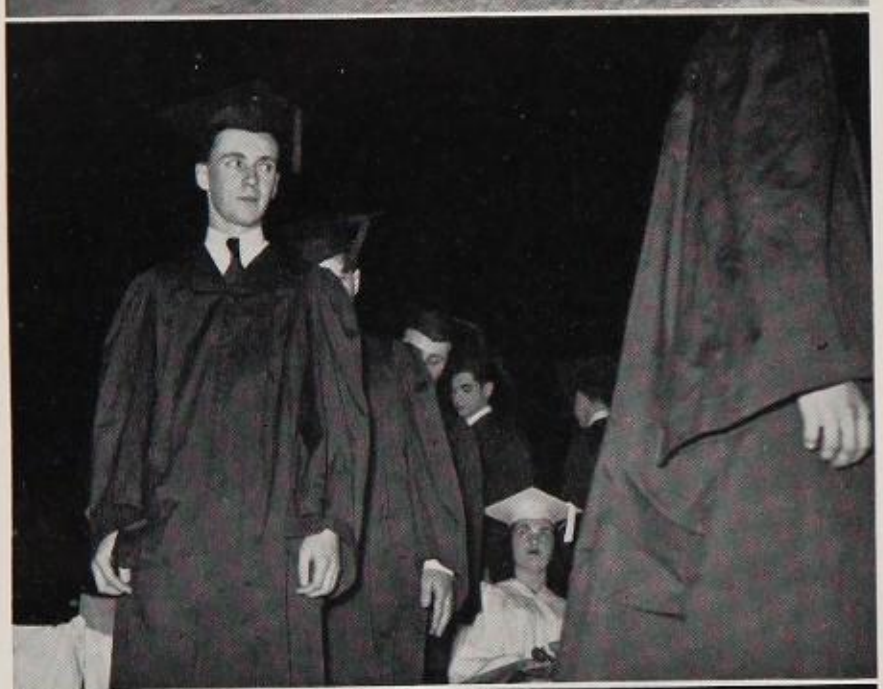
28—"Death Takes A Holiday" (from the picture of the same label) is skillfully produced by Heights Players. Amateur sleuths smell sabotage as impromptu blackout is held during equally impromptu intermission—Wally Green becomes man of the hour as students wait hopefully for bomb to land on school.

DECEMBER

4-5—Papers turn from "rags to riches." Student council coffers filled with folding cabbage. Disappointed President Bob Rochelle discovers that Mr. Morgenthau is now printing bills with the American Eagle on one side and a homing pigeon on the other.

5—Hoopsters make impressive debut—topple Glenville, 44-21.

6—Tiger quintet continues march—swamps Garfield, 62-28. Priority rating now placed on coffins for Heights opponents.



8—Students come to school boiling over with anger and indignation at Jap attack on Pearl Harbor. Radio bulletins broadcast throughout day.

9—National Honor Society holds spotlight, initiating 53 new and deserving members.

12—Cagers continue torrid pace, whipping Elyria, 48-25. Tankers place second in city-wide swim meet at Cleveland Club. Gurgle, Gurgle—wait 'til next year!

13—Senior Informal draws capacity crowd of addicts of sweet and sizzling swing.

18—Bengal Basketeers make it 4 straight in nip and tuck thriller with Collinwood Railroaders on their own boiler-plate, 32-28.

19—Shaw fish wriggle off hook in close meet, 36-30. (In the language of the mob—"we wuz robbed.")

19—Paul Selden's "Dixieland Breakdowns" supply red-hot southern fried swing at Gamma's after-school dance. "Do you dig me, Jackson?" "Yeah, bud, about six by three in the cold, cold ground."

19—"Christmas comes but once a year!" Sure, that's okay with us, fellows, it just ought to last a little longer.

20—A Cappella Choir, enhanced by those new (and expensive) robes presents another fine program in the traditional Christmas Concert.

JANUARY

5—Alarm clock raises Heights Hibernators from vacation paradise.

9—Yowling Bengals catnipped by Lakewood Rangers for first defeat. Awful truth is 37-34. We sure got it that time—spiced, diced, sliced, and iced!

9—Mermen dunk Shakerites, 47-19. We got the right end of the towel that time.

14—Newly formed Student War Council meets with Mr. Morley to discuss war aid possibilities. No, the Foreign Legion is not open to girls—not even to Heights girls.

14—Gary Cooper, Ray Milland, and Robert Preston survive ten reels of "Beau Geste" to swell senior treasury. Don't worry, Morgenthau got his cut, too!

16—Ever-popular Sam Campbell, "Philosopher of the Forest," returns to Heights in guest appearance to delight packed house.

16—Tiger hoopsters entertained by Shaker. Return favor by an all-out liquidation campaign of enemy. Score stands at 38-24.

16—Powerful Western Reserve Academy battleforce torpedoes Heights' sailors.

17—Basketball and swimming squads prove double trouble as they rip opponents. Lorain and Sandusky go down to defeat.

19—Unleashed seniors escape "dog house"—roam halls at will during "Privilege Week." Three years and what do we get?

20—Dick "Pachy" Crosby and vivacious Rita True win coveted awards as outstanding graduates of January, 1942. Class wits and witless (Swann was there, too) make hay while the sun shines and bask in the golden rays of senior graduation at last hysterical assembly. We heard that it was worth the extra twenty minutes of assembly just to get rid of them.

20—Mr. Drury leaves to speak for Uncle Sam. We can't lose now.

23—Heights prepares for Nazi Messerschmitts with first "B" dismissal air raid drill. Man the lifeboats, we're going to hit a tree.

23—Bengal quintet edges outclassed Shaw five in hectic battle on the East Clevelander's court.

23—Hilltopper natators sluice Canton McKinley.

26—United States mint discovered not to be of candied variety as Henry Morgenthau III (son of a wealthy father—no, I'm not kidding) addresses students under auspices of Heights Round Table.

27—School accelerates war program with chilly "A" dismissal. Quick getaway wins approval.

28—Tiger fish give Akron Buchtel Rubbermen the bounce in dual meet.

29—One day vacation welcome. In fact at that time anything would have been welcome.

29—Seniors bid adieus in traditional caps and gowns.

30—Harry Gordon (The Younger) bows out as scholastic cage ace in Elyria massacre. Score, 35-26.

30—Swimmers prove East Tech mermen all wet at Fenn College dunking.

30—Bewildered CI's roam aimlessly through corridors. Serve first day of three-year sentence.

FEBRUARY

2—Cindermen start practice. Mud flies high.

2—"Strick" organizes Boys' Glee Club. Shoot the voice to me, Joyce.

4—Homeroom 313, afghan hounds, finish first blanket for Red Cross. Dog-gone good work, girls.

4—Robin Hood rides again in "technicolor" for Black and Gold flicker.

4—Heights tripped by strong Lincoln five in setback, 39-35.

6—Bob Rochelle, Peg Wilson, Jack Frankel, and Eileen Burrer return after visit to nation's capital. There's a tale about a third floor dormitory behind those blank expressions, isn't there, children.

6—Helen Perry, late model speedboat, churns up foam (not on a short beer) in exhibition for Lifesaving Club.

6—"Black Friday" for swimming and basketball squads. Lorain avenges earlier defeat at claws of Heights cagers in whirlwind game, 43-32. University dips tankers down to Davy Jones, 39-27.

9—Students get bird!—Awake with same as Eastern Wartime goes into effect. Skip between trucks and half-tracs on Lee Road to make that first period trig class. Maybe Hitler gets up that early, but I doubt it.

10—Silver-tongued Jack Frankel cops honors in extemporaneous speech contest.

12—School honors memory of Abraham Lincoln in Heights Broadcasters' radio program.

13—Friday the thirteenth proves jinx to Bengal cagers as Lakewood crumples defenses on West Side court, 30-25.

13—Air Raid messengers receive initial instructions. Slight skipping of classes as hopeful students look for first raid.

16—"Don Juan" Felty gives out with practical advice on affairs of the heart based on years of personal experience at Hi-Y-Friendship Club panel.

17—Problems of post-war reconstruction and new order presented by the Czechoslovakian consul.

20—Shakers are quakers after Tiger hoopsters terriorize visitors with sizzling 40-29 total. Something to write home about. Tankers topped by Lakewood, 42-29. Also something to write home about. Yeah!—Home to Lakewood.

23—Femmes flip the fancy and toss shindig to celebrate George Washington's birthday.

25—"Off with the lipstick—out with the gum." . . . . . Caldron snaps club pictures . . . . . "Get in line, chum." Studes chisel on admit slips as worried staffers "talk fast" to enraged teachers.

27—Basketball season roars to successful climax as Tigers liquidate Shaw second time. Board stands 31-29.

MARCH

2—Politicians of future score direct hits in balloting of CI class. Baby kissers who triumph are President, Norm Larson; Vice President, Everett Teare; Sercetary, Carol Blattner; and Treasurer, Virginia Hill.

3—Rubbish men have field day 'cause it's locker inspection at Heights. I see where there's gonna be an auction soon.

4—The long arm of the U.S. reaches out. This time it's Major M. D. Phillips who joins the ranks.

5—Cool cagers kicked from county contest at Euclid Short, and guess who it had to be—Lakewood, thrice victors.

10—Men of muscle make platform tremble. Varsity gladiators capture well-deserved "H" awards.

10—Halls filled with hysterical nuts . . . . er I mean notes . . . . as Choir members celebrate $200 snatch for new robes. " 'Twas a hard fight, mom, but I won. Tra la, tra la, tra la."

14—Jiving juniors jerk more jack from annual Spring Informal.

16—Yuh just can't keep a good thing down, but why is it our rival, "The Crest," that has to open the first spring subscription drive.

27—Students train for incendiary bomb squad as "Ball of Fire" draws record crowds. "Three Balls of Fire" arrive "en mess."

APRIL

1—April Fools' Day, but students prove they're not fools by staying in bed. (Don't jump, you nut, it was vacation.)

6—Ho Hum! What a time to come back to school—In the spring a young man's fancy turns to thoughts of the beginning of baseball season, summer vacation, and "H" Club show rehearsals.

7—Statute of Limitations (Law studes take notice) put on Heights. No more waiting for the gals in this man's war, cause ya gotta go home by three bells—an' no foolin'.

10—Varsity H-Club Show scores biggest hit of season as boxers, singers, and belles of the chorus paralyze audience.

13—"Right this way, folks—find out what to be and why." Vocational guidance again comes to Heights. Many studes take advantage of splendid talks by outstanding authorities.

14—Spring fever hits school. Teachers must now cope with dozing pupils as well as dumb ones.

16—"Paper rags, paper rags—an' a coupla' hangers, too!" Paper sale comes to Heights. (Hot dog, now I can complete my set of Esquires—the magazine, of course.)

February 9, 1942, Heights swings to wartime

"Joe Heights" Goes To The Noon Movies

Ed Godfrey, typical Heights boy, enters the noon movie under the gentle guidance of Guards Ken "Lets Hear Two Plunks" Willson and Bob "Where Yuh Goin' Bud" Grandy.

Ed looks around for what seems to be a non-existent seat. Ridiculous, isn't it! (We tried to keep Seymour out of *this* picture, but look what happened.)

Hey! Wait a minute, fellas. No eating in the movie! It will only lead to bloodshed! ! !

Our hero scents the approaching guards and tries to look bored, but see what he runs into. Aren't you missing something, Fred?

Ye Gads—Frankenstein!!!! Jim Landis and Doug Meaden give persuasive treatment to the reluctant victim in order to make with the **BOUNCE.**

CALDRON ADVISORS

MISS MASON

"Pack up!—Pack up!! I declare, I'm simply going to have to use a whip to drive you people home after this." These familiar words ring in the ears of the Caldron staff day after day throughout the semester. Their source is the ever wise, ever good-natured Miss Mason, sponsor and editorial adviser of the Heights Caldron for over thirteen years. The guiding figure behind the scenes, she puts her trust in a steady policy of "walking softly" but without the "big stick" as advocated by popular belief. Constantly rescuing the over-enthusiastic staff from a major catastrophe, Miss Mason has proved herself past master in the art of soothing the injured section editor's feelings when a pet idea bites the financial dust. A watchful guardian, a wise counsellor, and a true friend—to all these we express our deep appreciation.

MR. COOLEY

Known as the man who never turns a hair when he opens a bill for five hundred dollars, Mr. P. A. Cooley is the gentleman behind the dealings in "high finance" for which the Caldron is deservedly famous. Working long hours late into the afternoon, he is always at hand with serious, practical advice, many times pulling the book out of the deep swamp of an overdrawn budget. Students selected for the business staff receive a fine course, not only in the technical aspects of financial management, but also draw something extra from a year's association with Mr. Cooley—something so extra that it crowds the "sign up" book with eager applicants. To Mr. Cooley the staff owes more than it can ever repay. Upstairs, the editorial staff designs the book, but downstairs, Mr. Cooley and his staff put it out.

CONCERT BAND

THE 1941 Marching Band tooted its way through another successful series of football games, closing the eventful season with a final roar of the ever popular "Hold That Tiger."

November provided two major events. The Fall Pop Concert again presented the Band to an enthusiastic audience which filled the auditorium to capacity. The sixth Annual Military Ball brought together the different Lake Erie League Band directors and many members of their bands to enjoy a colorful and entertaining evening of dancing on our own high school stage.

A Hobo Party in February and the awards banquet in May were included in the year's program of social events.

A broadcast for the Charity Football Game, a South American Program, played at Halle's, making a sound tract for a patriotic movie short, and participation in the Euclid Central Band Festival, all presented the Band at its best.

The Spring Band Concert program contained a great variety of compositions including The Overture II Guarany, The Finale from Symphony in F Minor No. 4 by Tschaikowsky, The Royal Fireworks Music, a trombone solo, a trumpet trio. In addition three new modern compositions of American Music made a program that will long be remembered.

The first Lake Erie League Band Festival, held at Heights on May 16th, took the place of the no longer existing Region Three National Contest by providing a basis of comparison for the Heights band with other bands.

The "Thank You" Concert, our final appearance of the school year, expressed the band's gratitude to all who had aided in making this one of our finest and most successful seasons.

Mr. Rush is assisted in running the department by a Band and Orchestra Staff composed of outstanding upper-class students. This staff is made up of many smaller units: the library staff, secretarial staff, pop crew, quartermasters, lost and found department, uniform committee, entertainment and welfare committees, and a publicity staff. These all cooperate in helping the department run smoothly and efficiently.

And the band plays on

SYMPHONY ORCHESTRA

AGAIN this year, the Cleveland Heights Orchestra, under the able direction of Mr. Ralph E. Rush, did itself proud. From the start, when it collaborated with the band in presenting a bang-up Fall Pop Concert in November, it exhibited the talent, technique, and fine interpretation which has characterized its work.

The Eighth Annual Concert given by the orchestra in January again convinced the public of the high standards attained and maintained by this organization. The program consisted of such outstanding works as the first movement of Beethoven's Fifth Symphony, the slow movement of Haydn's "Surprise Symphony," the "Overture to Iphegenia in Aulis," and light numbers such as "Jeannie With the Light Brown Hair."

Beating out the Beethoven

One of the highest distinctions the orchestra has received was an invitation to participate in the Music Educators National Conference held in Milwaukee, Wisconsin, in April. The orchestra played a forty-five minute program for the general assembly and had the privilege to work under the sophisticated batons of Aaron Copland, Henry Sopkin, and Dr. Howard Hansen. This was an occasion that no member of the organization will ever forget, not to mention the fun of the train trip and the excitement of the Wisconsin Hotel

This year, even though there was no Region Three National Contest, the instrumental department entered thirteen ensembles and thirty-one soloists in the city contest and received its usual excellent quota of first places. The evening before the contest the department held a get-together for students and parents in the form of a pot-luck supper and chamber music recital.

One must not forget the work of the Little Symphony, a select group of best players in the orchestra. These students play for school assemblies as well as for entire junior high school assemblies. Several evening church programs were also given by this group.

To close this well-rounded season the orchestra played its half of the "Thank You" Concert delightfully to an enthusiatic audience.

A CAPPELLA CHOIR

IN this twelfth year of its existence the Heights Choir has stepped forth with new triumphs which will long be cherished in the memories of its members, Mr. Strickling, and the school. For this versatile group has kept up the standards of fine singing set forth by the excellent choirs of the past.

The Christmas concert met with the usual success, and this year's choir experienced the thrill of having over two hundred alumni come to the stage and join them in singing "Emmitte Spiritum". The choir also journeyed to Milwaukee where they sang for the National Music Supervisors Conference, and over short wave to South America. They sang the cantata, "I Hear America Singing", with the WTAM orchestra in the spring, rounding up a year filled with engagements.

The 1941-1942 choir will long be remembered not only for its many accomplishments but also because it was the first group to don the beautiful new robes purchased after the old ones were finally discarded. Congratulations to the choir and to Mr. Strickling for another fine year of music!

Practice makes perfect?

Boys' Glee Club

LAST ROW: L. Demsey, H. Edwards, R. Voelker, N. Weinstein, R. Kleinman, D. Shaw, R. Worthington, M. Epstein. SECOND LAST ROW: C. Gardner, D. Anliot, T. Bates, H. Wittick, B. Gudikunst, A. Hollander, D. Catalano, A. Levin, B. Cope. THIRD LAST ROW: H. Pressman, F. Livingstone, H. Stevens, L. Coben, E. Hersh, B. Hollander, H. Berger, R. Pearse, L. Harvey. FOURTH LAST ROW: A. Blackman, R. Brewer, C. Everhart, L. Lifshetz, T. Klein, J. Gibson, B. Rosenberg, B. Rosenblatt, Mr. Strickling.

THE Boys' Glee Club is a musical organization of fifty boys which meets on Monday and Wednesday ninth period. The only requirements for admission are the ability to carry a tune, love of music, and a will to work hard. The Boys' Glee Club made its debut at the annual "Choir Dads' Bridge Party" sponsored by the Choir Mothers' Club. Since then it has made appearances in assembly and at Monticello, Roxboro, and Roosevelt Junior High Schools. Due to the limited time for rehearsals the music used is of a lighter nature, consisting of well known college glees. Two-tenths credit is given to each boy for regular attendance each semester. The Boys' Glee Club is made up largely of boys from the choir and other choruses.

Madrigal Singers

LAST ROW: D. Crosby, R. Worthington, G. Rogers, F. Awig, M. Kindig, R. Catalano. SECOND LAST ROW: D. Smart, M. Adler, G. Aperto, J. Nelson, C. McLarty, L. Stecker, J. Collins, J. Gaffney.

THE Madrigal Singers, a chorus within a chorus, is a group of fourteen singers picked entirely from the A Cappella Choir. Their name comes from a type of song, the madrigal, a love lyric written for many voices. Although they do not practice the custom of earlier times—sitting around a table while singing—they do use costumes. The attractive dresses and suits are of the early 17th Century, and were first used at the annual Christmas concert. These Madrigal Singers combine harmony and lively expressions into a pleasing and melodious effect, and the various organizations before whom they have appeared have greatly enjoyed their songs.

HEIGHTS Players carried on their tradition of promoting interest in high school dramatics, again, this year. They opened their season by presenting "Death Takes a Holiday", under the direction of Mr. Mitchell, with a larger set than any previously used on the Heights stage. Their spring production, "Hay Fever", a sophisticated comedy by Noel Coward, was directed by Dr. Evans. Mr. Mitchell directed a contest play, "The Devil and Daniel Webster", done in a stylized manner.

MEMBERSHIP in the National Thespian Society is the highest honor awarded in high school dramatics. Outstanding achievement in the field of drama is required. Troupe Number 410, sponsored by Dr. Evans, has done much to promote interest in dramatics this year. It has sponsored many theatre parties and has secured student rates for professional plays.

Meanwhile Heights Players' annual social activities were not neglected. Alumnae from years back compared notes at the Christmas banquet. Promotions of apprentices and journeymen were made and new officers installed on President's Day in June. A picnic brought a successful year to a happy close.

Defense Activities

At the controls

Headquarters

Heights High School's twenty-three hundred students are not sitting back, letting their elders do the war work. On the contrary, they are doing their share in the civilian defense of our community and country. Hundreds of pupils have enrolled in activities directly pertaining to the war effort, while the entire population of the school has received and will receive more training in dismissals in case of air raids. Thus we see that Heights High is preparing for any eventuality, which might come. If it does not come, all the training will not have been done in vain, as a spirit of cooperativeness and obedience will have been instilled in all the students. Heights knows it has a job to be done. Right now it is putting its shoulder to the grindstone, seeing that the job is done and well.

Defense Activities

Central War Council

At ease during a "B"

Both faculty and students are working together in this crisis, as they never did before. The Central War Council, composed of five students and four teachers, take into consideration and pass on all war activities. The General War Council, a larger organization of thirteen faculty members and twenty-three students puts into effect those which the Central War Council has passed on.

The Girl's Cabinet is doing its part by urging all girls to be home at 12 o'clock—it's patriotic.

Heights is also determined to raise the health standard and physical condition of our youth by a program of more exercise in gym classes and outside of school, keeping of good health habits, and wiser choosing of foods with regard to nutritional values.

We must also pay tribute to the many Heights alumni now serving in the nation's armed forces at home and overseas.

Behind the lines

The inside story

The safe driving classes are not only doing what their name implies and giving good experience for future ambulance drivers—but is also acquainting students with the workings of a car, necessary knowledge in case of emergency repair. The shop and auto classes are giving the fellows instruction on motors, machines, turret lathes, and other allied mechanical things. This is real preparation for work in the defense industries.

Other ways in which Heights is aiding the war effort include the sale of War Bonds and Stamps, Air Raid Warden training for teachers, and the sending of the Black and Gold to former Heights students now in the services. In addition, both teachers and pupils took part in the Sugar Rationing Book distribution.

Defense Activities

All tied up in his work

They mean business

To facilitate the "A" and "B" dismissals of which Heights has had several, four of five groups are in service. An incendiary bomb squad under, the direction of Mr. Budde, has been learning bomb protection — the extinguishing and fighting of them. Song leaders are being taught to entertain their homerooms during "B" dismissals. A messenger unit has been organized to create maximum efficiency between headquarters and safety stations. Hundreds of boys and girls are undergoing first-aid training, both in after school groups and in hygiene classes under the direction of Mr. Bird and Miss Weller. The members of the aforementioned activities have their own insignia making it easier for them to move about the building.

Will that do, Cap?

Junior Red Cross

A new organization at Heights but one that is international in scope and one that has been in existence elsewhere for years, the Junior Red Cross, expects to aid America by following its motto, "We Serve". Purely voluntary, the girls are trying to help civilian defense in many ways. Some of their activities include collecting books for the Victory Drive, knitting afghans, sweaters, baby wear, mittens, and socks, collecting small useful metal items, and making toys of any available materials. They are also cutting and hemming triangular bandages for use in the various Red Cross First Aid Classes throughout the Heights.

Girl's Cabinet

THIS year the Girls' Cabinet has carried on its fine work of contributing to the general welfare and happiness of all Heights girls. This worthwhile organization has become valuable to every girl through its numerous activities. The regular duties of the Cabinet are to see that the girls are dressed in good taste, to send notes to girls who are ill, and to supervise lost and found articles. In addition to this the Cabinet sponsors various parties for all girls throughout the year.

Several new projects have also been accomplished by this year's Cabinet group. The *Chit-Chat*, a monthly news-sheet, has been launched for the purpose of presenting news devoted only to girls. The Cinderella Club was organized as a patriotic measure to promote better health by maintaining earlier hours. In cooperation with the Red Cross, the Cabinet also started Heights girls knitting afghans and sewing triangular bandages for the war effort. A new kind of sale was also executed by the Cabinet when they sold roses and carnations to the school.

Much praise is due the Cabinet for its fine work completed through originality, efficiency, and the excellent leadership of Miss Wallace, the faculty sponsor.

Managers' Club

IT was once defined as ultra-helpful, and that's what the Managers' Club really is. With social affairs playing a significant role, the members of this club are always busy. The Band and Orchestra Concerts, Plays, and Choir Concerts for which they must usher, roll around in rapid succession, and their regular job of furnishing doorguards at the assemblies comes up every week. Such is the work of the club in the immediate scope of Heights activities, but its interests have broadened to include ushering for both the concerts of the Cleveland Heights Civic Symphony Orchestra, and the four performances of "Army Red." In addition to ushering for the Sam Campbell lecture, members of the club sold flowers for the Mothers' Club during the intermission.

Behind the scenes, more of a service nature takes place, for as one would have suspected from its name, the Managers' Club has charge of much of the business and financial responsibilities that accompany the Heights Players' productions, the "H" Club show, and other productions.

Noon Movie Guards

STALWART and husky, these brave fellows supervise the noon movies. Every day the population of this massive structure streams in to see some popular movie, under the watchful eye of the noon movie guards. Two cents, dropped in the little box at the door of the auditorium, insures a safe passage down the aisle.

The boys are carefully chosen by Mr. Flint, and by the captains of the noon movie guards. Their jobs are to collect the full admission price, to preserve order, and to keep the auditorium free from waste in their assigned sections. Without these boys to keep order we would indeed have a noisy noon movie. Many thanks should go to the guards for their untiring and efficient efforts to make our movies run smoothly.

Cafeteria Guards

BEING a Cafeteria Guard is no small job. The responsibility, therefore, is given to two of the honorary organizations of the school, the H-Club and the Yellow Jackets. It is their duty to see that the cafeteria is kept orderly during lunch periods and is left clean and in condition for the study halls that follow. Thoughtless students who continually disobey orders by breaking into the lunch line, taking books into the cafeteria, and disregarding the rule to return trays make this organization necessary. One side of the cafeteria is kept in order by the boys who have received letters and are members of the Varsity H-Club, and the other side is managed by girls in Yellow Jackets. So students, remember when you insist upon throwing apple cores and waste paper—the H-Club always get its man.

Corridor Guards

UNDER the leadership of Captain Owen Brady this year's corridor guards provided Heights with another record of careful hall supervision. The idea of corridor cleanliness was emphasized and vast improvements were made in this respect. Chief concern of corridor guard captains this year were the antics of Seymour "Sy" Rosen and his merry men whose raucos yells and ponderous work shoes reverberated intermittently throughout the building.

On those balmy spring days the temptation to stroll at will became even more powerful, but many such a happy thought was stifled by the long arm of an alert guard. Metal passes introduced last year eliminated the struggles of perplexed guards to decipher weird hieroglyphics supposedly

Boosters Club

THE fifteenth edition of that peppy organization lending its support to school athletics, or, to you, the 1941-42 Boosters' Club, started in by boosting the football games to the best of its ability. This ability was demonstrated in the decoration of the football field, the sale of candy and hot dogs, the football programs, and the rousing pep rallies. In these pep assemblies, especially, Heights students, full of school spirit, showed that they were behind the team. This spirit grew; it expanded as the season advanced; and it came to a climax in a thunderous roar at the Shaw game. Unforgettable indeed were the tension and the excitement; the unofficial contests, with the bands trying to out-play and the rooters to outcheer each other; and the roars and yells as the Tigers battled Shaw to a 0-0 tie.

But the end of the football season did not mean the end of the Boosters' work. Basketball games and swimming meets came next; and so did more pep assemblies. This boosting was continued for the spring sports —baseball and track—as Heights students, proudly wearing their "sharp" new spring sports buttons, came out and supported the teams.

Boosters Club

Everyone in Boosters' Club worked hard, and a great deal of money came into the treasury. By January there was a surplus, and the club enjoyed a unique distinction—having the problem of what to do with its extra money. But Boosters' Club solved this problem by "boosting" both Heights and Uncle Sam—they bought a $100 United States Defense Bond and presented it to the school.

For the Boosters' Club the purchase of this Defense Bond was the climax of a very successful year. But Boosters' Club will keep on doing these jobs, and prove again that it is a valuable and important part of Heights High School.

Corridor Guards

Captains

RUNNING efficiently the large organization of two hundred and fifty corridor guards is not an easy job. However, this year under the leadership of head captain Owen Brady, the period captains have accomplished their task well. Each of the nine period captains sees that his thirty guards are at their posts, doing their duties smoothly and quietly. In addition, the captains can remove guards who are not following the corridor guard pledge. The head captain sees that the entire system is functioning like a well-oiled, closely coordinated unit. The part that Mr. Flint plays in the success of this organization should not be overlooked. His helping hand is everywhere.

Safety Patrol

THOSE khaki jacketed boys seen in all kinds of weather, both good and bad, are in a large measure responsible for the outstanding safety record which Heights possesses. The main purpose of this activity is to direct the traffic—automobiles and pedestrians—at the crosswalk on Cedar Road and in the parking lot in back of the school which is used daily by about one hundred-fifty cars. The Safety Patrol's duties do not always end at the close of school, for frequently there are evening events in the aduitorium, or afternoon football games which demand the smooth direction ot traffic in the parking lot. The Safety Patrol's reward for all its helpful work is a certificate presented to each member in the annual Recognition day assembly.

Candy Sales Supervisors

LAST ROW: Mr. Lehman, J. McCarron. FIRST ROW: G. Budde, R. True, J. Walker.

THE main purpose of this organization is to supervise the candy sales held in the front corridor. At the same time however, this small, but dependable, group receives practical training and experience in the handling of both the candy and the receipts from the sales. Although the Candy Sales Supervisors do not do the actual selling, they do attend to the bookkeeping, the weekly scheduling of clubs, and the ordering of the various kinds of candy. It is through their efforts that many an organization's treasury has benefited from the proceeds taken in from the attractive sweet counter in the front hall.

Student Announcers

THE announcements for today—, and so starts another daily broadcast over the public address system. The announcer is one of several, selected at the end of rigid auditions and tests from a group of about fifty aspirants for the job. Capable and dependable, the announcers are called upon to read on sight each day's news. Their reading is almost invariably found to be accurate, clear in tone, and correct in diction and pronunciation. Their peppy readings of publicity notices for athletic and social events oftentimes spell success for the enterprise. Thus the student announcers have an important position in school activities.

Perhaps the most familiar voice to the entire student body is that of Jack Frankel who has been chief announcer for two years. It is not impossible that someday Jack or other announcers, who have gained experience at Heights, may be doing their broadcasting over nationwide radio hookups.

CHARACTER, leadership, scholarship, and service; these are the things that denote an N. H. S. member. The National Honor Society is one of the most active service organizations in the school, in that each member is required to do fifteen hours of service during the semester. These hours are acquired by working in the office, tutoring students who are behind in certain subjects, working on any of the school literary projects, and by contributing in any beneficial way to other service organizations.

Perhaps one of the most constructive projects is the collection of tax stamps, which yearly provides two scholarships for worthy members.

Toward the end of each semester an assembly is held for the purpose of initiating new members into the society. Upper classmen who are well qualified in meeting the four requirements of the society are at this time inducted into the organization. A social gathering is held the afternoon of the day of the initiation service for the new and old members, at which time they are welcomed by the president, and by Miss Whitsey, the always helpful faculty advisor. Other social events are the several evening meetings held during the year, and the annual spring supper, prepared by the girls.

Year in and year out our National Honor Society proudly upholds the significance of its name and the high principles upon which the organization was founded.

AGAIN under the excellent direction of Mr. McAfee, the Athletic Service Club has completed a successful year of managing the business end of all athletic contests. The main duties done by this able organization are; publicizing future events, selling tickets in the ticket booth, at the gate, and at the Junior High Schools, and guarding the entrances and exits on the athletic fields, in the auditorium, and at the pool.

The Athletic Service Club is divided into two groups. The first, the ticket selling group, frequently handles large sums of money and tickets; hence, capable and trustworthy officials are required. The second is the guarding group, and punctual, dependable members are necessary if the job is to be done well. The highlight of the Athletic Service Club's activities is the All Sports Pass campaigns held each year in September, at which time about 1500 students take advantage of a bargain rate for a sports pass good for all home athletic contests during the year. Heights students can thank the Athletic Service Club for the efficient management of its varsity sports events.

Visual Education Club

THE purposes of the Visual Education Club have been brought to Heights students on many an occasion. Yes, these are the enterprising lads who devote one period a day to the operation of moving picture projectors, slide machines, and other equipment of this sort.

To qualify for membership in this activity, one must have mechanical ability and reliability. The Visual Education Club always sees that its equipment is in top-flight running order, for the members know that there is nothing so disappointing as a broken projector in the middle of an interesting film. The job of handling films for classroom use is not all that this group does, for extra-curricular clubs and activities frequently make use of the club's facilities.

THE show must go on. This axiom of the stage applies not only to the performers but also to the men behind the curtain, the hard-working stage crew. Although the credit for a successful performance goes to the artists themselves, it is a recognized fact that a good crew and a good show are inseparable partners. The members of the Heights stage crew, the boys who pull the curtain, turn on the lights, make the props, set the stage, and do any odd job required of them, feel happiest at the sound of thunderous applause for then they know that they have done their work and done it well. How about a hand for these fellows who don't know when to go home or when to stop working.

Library Club

HOW does that girl get to help Miss Trevorrow? Does she have pull or something? Who's that carding books up at the desk? If you've been asking these questions, just put your mind at ease. They are Library Club members. These girls, under the leadership of Miss Robinson, have learned much about library work as a vocation. The only requirement asked of them is regular attendance at meetings and that they relinquish at least one period a week to assist our school librarians. In this way the members profit by actual experience in cataloguing, desk work, and other jobs which may arise.

At the meetings, which occur twice a month, the girls have enjoyed many interesting programs. The annual Book Week, Faculty Teas, and Christmas Party were the high spots of the fall program, with the club picnic the object of anticipation in the spring. These were augmented by outside visits to Halle's Book Shop and the Cleveland Public Library. Now do you wonder who these girls are? Perhaps they are future librarians. Who knows?

Clerical Service Group

FOR the last two years the above girls have been of great service to the school and the teachers in doing clerical work. Dorothy Joslin is an excellent stencil maker and has made several hundred for various teachers. Jean McConnon is a champion mimeographer and has spent many hours in serving the school in this capacity. Dorothy Pocock and Gertrude Friedler have done their share of hard work, doing various kinds of typing, stenciling, and mimeographing.

Inter-Club Council

"THE Inter-Club Council would like to interview you." This message has summoned many a lower-class student to an experiment started this year by the Inter-Club Council—interviewing certain students in order to help them determine what club or activity would be best for them to join. It is hoped that this work, just in its beginning stages now, will be continued each year and become a definite asset to the school.

But this is not all that is accomplished by the Council, which is made up of representatives from each club and activity. Its main duty is to promote cooperation among all Heights activities. The making and distributing of the club schedules, the presentation of the club assembly, financial aid for activities which need it, and the promotion of new clubs—these duties are helping to make the Inter-Club Council one of the increasingly important organizations at Heights.

FOR the last twenty-six years the Black and Gold has told Heights students "what's what" and "who's who" in their school, and done this well. In the last three years, the Black and Gold has climaxed all past efforts by winning the Pacemaker rating in 1939, given by the National Scholastic Press Association, an honor given to only twelve other high school papers in the United States, and by winning two Medalist ratings from the Columbia Press Association in the last two years.

The "B & G" as it is popularly called by Heights students attempts to give the reader an actual insight of the events and happenings in Heights' educational, social, and athletic life. Proof that it has accomplished this purpose can be found by noticing the scramble for papers, when they are issued during homeroom period on Friday mornings.

The selected staff, which is chosen by the ever-friendly Mr. Spencer, faculty advisor, has full charge of the publication of the paper, only the printing being done outside of school. Many of the members of the staff, aided by their experience at Heights, go on to further journalistic work after graduation.

Hermes

PUBLISHED regularly four times a year for the past ten years, the Hermes, a Latin-English paper, is the main extracurricular activity sponsored by the Latin department. Besides giving practical experience in using a language, the paper also proves to have both educational and entertainment values for the ambitious Latin student who is interested in actually reading and translating the efforts of his classmates. Students having average grades in at least two years of Latin are eligible for the staff. The Hermes shows itself to be the excellent product of a very capable organization.

BY winning first place in the national contest for high school literary magazines, the Crest establishes itself as a publication which all Heights students can well be proud of. Selections for this excellent publication are based on originality, the writing ability shown and the entertainment value. Both the literary and art work are chosen by a staff of students especially recommended by the English department. In line with the present patriotic situation, the Crest is doing its part in promoting democracy and good will among the peoples of the Americas.

From this group of students the next year's Editor-in-Chief and many of the various department heads are usually chosen. However the best and most satisfying reward for their efforts is that afternoon in early June when the Caldron is distributed, and soon made the most important subject matter of the day.

Student Council

THE main purpose of the Heights High School Student Council is to enable the students to participate in the school government. It is composed of students elected from the homerooms to represent the school in the most democratic way. It is through these representatives that the students are informed about the activities of the Student Council. The Council is the head of all organizations at school. Through the approval of the Council new clubs are organized and chartered. Among other things, the Student Council produces handbooks to aid new students in finding a place for themselves in the school and its activities, and it investigates worthy students for possible scholastic aid. By raising money the Student Council is able to aid worthy organizations. The band and choir, for example, have been assisted in the purchase of new uniforms and robes. The noon movie, which was introduced to the student body by the Council, provides entertainment for the students and is one of the important sources of revenue of the Council. A paper and hanger sale has been introduced this semester as another method of raising additional funds. In addition the Council has taken an important part in the fight for democracy by selling Defense Bonds and Stamps.

Is it the Truth, Ruth?

A VERY important and well known club at Heights is the Senior Literary Club. Because it is an honorary organization, a girl must first be an upperclassman, having a grade of A or B in English and being recommended by her English teacher. The members of this club do more than attend meetings and listen to talks and lectures. They assist the English teachers and have charge of collecting, filing, and distributing English reading cards. Guest speakers, such as the ever popular Louis Bromfield, come to entertain the girls on literary subjects. Teas held each month offer a chance for the girls to relax from the daily routine.

THE Junior Literary Club is one of the newer clubs at Heights. The girls are all underclass and also have an excellent record in their English classes and have been recommended by some teacher. They meet twice a month and have discussions and book reviews about current literary issues. The purpose of this literary organization this semester is to further the girls' acquaintance with our South American neighbors. The girls, through their history and study of literature, have already learned many facts which are interesting and worthwhile in the present day conditions. Under the splendid supervision of Miss Wallace, the girls arrange joint meetings with the Senior Literary Club and exchange ideas while enjoying tea and cookies. Through these meetings the girls' understanding of literature is developed and they become prepared for work in more advanced literary fields.

Heights Broadcasters

"ONE minute to go. Okay, take it away." This is the type of thing you would hear in a typical Heights Broadcasters' meeting. This year the Broadcasters have produced more radio broadcasts to the school than ever before. Typical of the fine work of these "mikemen" have been the Red Cross program, the Temperance Day skit, and a program commemorating Lincoln's birthday. Under the sponsorship of Mr. Freyman, the club now consists of twenty-five members and is organized under a director, the inimitable Howard Novitch, subdirectors, and a technical staff.

Commercial Club

THE Commercial Club is organized for the purpose of stimulating in its members a greater interest in various commercial subjects. This year the club has a greater challenge to meet than ever before, due to the war defense program. To meet this challenge the club has put forth a greater effort to become better trained and by acquainting its members with Civil Service work. We hope our members will be able to serve the Government directly as typists, stenographers, or in whatever way they might be called upon to do. In this field the club feels it will be doing a very great service to our country.

French Club

AFTER a lapse of four years the French Club was reorganized at Heights and rededicated to the study and discussion of French life and culture. The club participated in a varied program of activities, outstanding of which was the publication of the French newspaper, "L'Ecole du Cercle." During the year the club presented several fine speakers who spoke in French on topics of special interest to French students. Before a combined meeting of the John Adams' and Heights' French Clubs, Madame Graf, a native of France, related the experiences which she and her American husband had undergone during a few months in occupied France.

EVER hear of anyone who liked a subject so well that he wanted more of it? The German Club is a club for just that purpose. The members organized this club to learn more about the culture and language of the "Deutschen" . . . . that's the Germans. The club also has lectures at which native Germans speak in their various dialects and expressions. In addition members listen to the language on records. The only qualification needed for entrance into this club is the desire for more knowledge of the German language.

BIOLOGY CLUB

THERE are other things of interest to the Biology Club besides bugs and insects. Under the supervision of Mr. Lawson and presided over by Norman Mosesson and Bob Doolittle the club has taken as its chief project the beautification of the inner-court with shrubbery, flowers, grass, etc. Besides doing microscopic work, aquarian work, and chemical plant growth, the club finds time to take various trips, the most popular being the annual trip to Cook's Forest located in Pennsylvania. Before being a member of this club, one semester of Biology with a grade of "C" or better is required; otherwise anyone with a desire of having a good time and at the same time learning something about Nature, would find the Biology Club suitable to his personality.

PAN-AMERICAN CLUB

YOU don't have to know how to "hablar espanol" or be an Argentine beef eater to become a member of the Pan-American Club. All that is required is an interest in promoting a better understanding between the Americas. The meetings are conducted after the manner of the Pan-American Conferences, with each member representing one of the twenty-one Pan-American Republics. One of the most interesting of the recent meetings was a student faculty quiz bee in which the students trounced the faculty. Lectures, discussions, movies, and slides compose the rest of the activities. Among the accomplishments of the club, the most outstanding was the sending of copies of our Crest to schools in South America in an effort to create more friendly feeling. Zees club is really doing things zee South American way.

THE Friendship Club Cabinet includes the officers and group chairmen of the Friendship Club. This Cabinet meets weekly to plan the meetings and activities of the club. Once a month the President, Program Chairman, and the Inter-Club Council Representative attend Inter-Club Council meetings at the Central Y.W.C.A. At these meetings they meet and exchange ideas with girls from high schools all over Cuyahoga County. The Cabinet attends a summer conference at Mary Eells' Camp to get training and to make plans for the coming year.

The Homeroom Representatives supply the "missing link" between the Cabinet and the general club. Led by Jean Nau, the vice-president, the girls meet twice a month, once with the Cabinet and once by themselves. It is the duty of each representative to report to her homeroom any messages from the Cabinet.

Under the direction of Rosalyn London, the girls have talked about Boy-Girl Relations, Date Etiquette, and Family Problems. As a reward the girls in the group are awarded Girl Reserve rings. The Outing Group, under Lois Litschert, plans friendly good times for all. This year the members went on a bicycle hike and visited several places of interest. The Service Group, led by Genevieve Budde, cut cotton for the Visiting Nurses Association. Led by Katherine Steinhilber, the Social Group plans the social side of the meeting, such as the parties. The Publicity Group, guided by Marjorie Mitchel, makes the posters to advertise the meetings. Other groups are the Music Group, Pat Prucha, chairman and the Dramatic Group, which under the direction of Evelyn Fleck, gave a play for one of the meetings.

The Friendship Club, a junior activity of the Y.W.C.A., is one of the largest girls' clubs at Heights, having a membership of 300. The girls have meetings twice a month, plus other activities such as dinners and teas. This year the theme, "Accent on You," has been carried through each meeting. The favorite annual meeting is the panel discussion with the Hi-Y boys. The club has been active in defense work by offering two courses, one in first aid and one in home recreation. Also, Mrs. Bernice Pyke spoke to the girls concerning the defense plans of the city. Since the girls become Girl Reserves and junior members of the Y.W.C.A. when they join the club, they try to maintain the principles of the "Y". Heedless of race, creed or nationality, they work for world fellowship.

THE East Music Room from three o'clock until four every Monday is by no means a lounge for languid loafers, but indeed, it is a meeting place for all students who have a love and understanding of music. Here, the music lovers listen to classical and semi-classical pieces. These veritable "Oscar Levants" have proved their standing by copping first place in the Cleveland Orchestra Music Memory Contest. Each week the members discuss the lives of composers as well as their works. In order to gain an understanding of our American tradition the club plays and discusses the works of an American composer. All that is required to become a member of this club and listen to a symphony on records is a desire for good music.

I'm no cheap-skate

IN the Ro-Lo Club the students relax every Tuesday afternoon from four to six, skating to the familiar strains of recorded waltzes at Skateland. Under the supervision of Miss Shilling, the students forget about school and books while they indulge in this recreational exercise. The club makes it possible for students to participate in wholesome recreation at low cost. Of course none but those interested in skating would join such a club. To one who is interested in this sport it is comparatively inexpensive to skate, for a fee of only $2.00 is required for semester dues.

ALTHOUGH skating looks difficult, it is rather easy since all that is needed to be a good skater is merely a sense of balance and poise. It is a sport which both boys and girls can enjoy without using too much energy. For the girls it is a slenderizing exercise. For the boys, however, this sport does not develop their masculine muscles since not much energy is exerted. In the Ro-Lo Club the students find time to pair off and skate to their heart's content with whomever they wish, whether it be their best girl friend or boy friend. Some members are only beginners and have had no experience while others have mastered this enjoyable sport to perfection.

Fencing Club

AT last a sport in which both sexes may compete against each other in equal standing is found. Fencing is such a sport. The Fencing Club, sponsored by Mr. Langmead, teaches members how to foil and understand the art of fencing. The club has had meets with various schools at which the team has taken far from last place. Don't get the idea that fencing is an easy sport, for on the contrary it is a difficult sport which requires much skill and tact. Classes, in judging as well as scoring, are conducted to acquaint the student more fully with this sport. A few outside trips have been arranged to study advanced fencing. This club has given students a background for collegiate fencing and a start toward Olympic championship.

Alpha Hi-Y

SERVICE is the motto of Alpha, the oldest Hi-Y chapter at Heights. Many members of Alpha render service to the school by being cafeteria guards, corridor guards, boosters, student council members, and noon movie guards. In the athletic field seven members of Alpha have earned letters in sports ranging from football to cheerleading. Alpha has taken part in many social activities such as a dance after the first Heights home basketball game, a combined Hi-Y dance, and a splash party at Fenn College. So you can well see that Alpha takes its place among the other Hi-Y's in developing a better Heights High School.

Beta Hi-Y

A PROGRAM of democratic thinking and action plus a united stand to preserve these principles, carried Beta Hi-Y to new pinnacles during the 1941-1942 year. Solid behind its chosen leaders, Beta displayed, as in the past, a true understanding of Hi-Y fundamentals and showed an affinity for serious thought and action in a time when such activities are invaluable. In Al Davis and George Leonard the club found two presidents who contributed immeasurably toward making the club a solid, straight-thinking unit. Typical of the constructive and appropriate work of the club were two discussions entitled "What is our place in the world today, following graduation?" and "What should be our attitude toward citizens of Axis nations, especially the Japanese?" But the club was not lacking in social undertakings for which it is famed, for it sponsored two successful dances and presented an amusing travesty on Army life for the girls' Hallowe'en Party. With such a record behind them it is small wonder that the "Beta Boys" are known as the "better boys."

Gamma Hi-Y

GAMMA Hi-Y is one of the top-ranking chapters at Heights. Its motto for the year, "Be Prepared for the Future," is a well chosen one in view of world events.

Gamma promoted school spirit for the Shaw football game by sponsoring a homeroom attendance contest and offering cowbells to the winning room. The Gamma boys were also in charge of the after-school dance held before Christmas vacation. Gamma is active in many varsity sports and has members in the Student Council, National Honor Society, Corridor Guards, Noon Movie Guards, Cafeteria Guards, and Ro-Lo Club.

The "Gamma Gang" tries to have at least one helpful discussion about affairs of interest at each meeting as well as roundtables in which members address helpful criticism to fellow members.

Delta Hi-Y

UPHOLDING the Hi-Y principles in typical Delta fashion, the Delta boys passed through another colorful and eventful year. At the turn of the semester Delta lost a flock of its outstanding members many of whom have already entered upper-class Hi-Ys. But this loss was offset by the induction of a group of promising young members who showed early signs of carrying on the traditions of Delta in yeomen fashion.

Helping to keep the club organized and unified was President, Bill Kennedy, who handled the meetings in a masterful style. The club attended church services in a body, heard speeches on problems of current interest, and completed a well-rounded year with a dance and a hay ride.

Epsilon Hi-Y

"THE aggressive all-around-bunch leads the way again" summarizes the successful sixth year experiences of Epsilon Hi-Y, the most recently organized Hi-Y chapter now at Heights.

Throughout the season and aided by presidents Al DeRussy and Sam Sheppard, as well as Robert Felty, their helpful and understanding advisor, the Epsilons, plus a spirit of good will and fellowship, have taken the lead in trying to improve the Heights Hi-Y's and to follow their one prime objective, that is to serve the school, while following their aims to "create, maintain, and extend throughout the school and community the highest standards of clean living, and clean athletics".

Service and tradition has not been all that Epsilon has followed and done this year, for at Christmas and Thanksgiving time they gave baskets to the needy, attended monthly church services as a body, sponsored afternoon movies and dances, and have aided both Mr. Flint with his corridor guard system and the school's financial status, by backing the paper sales one-hundred percent, as well as contributing their popular advisor to the Navy Intelligence Department.

God, and man, is the older of the two underclass Hi-Y's. Many fine athletes, members of school service groups, such as the Corridor Guard system, and boys prominent in other school activities make up its membership. Under Presidents Craig Smith and Jim Estil, and with the guidance of Mr. Reemsnyder, advisor for the first semester, and Mr. Bell, advisor for the second semester, as well, advisors for semesters one and two respectively, the club has had many peppy meetings which were occasionally closed by helpful roundtable discussion from which much benefit was derived by the members. One of the most important social events of the year was a very successful and enjoyable splash party and dance shared with Alpha and Epsilon. Football, basketball, and baseball games and bowling matches gave variety to Wistgoma's program.

GIRLS' ATHLETIC ASSOCIATION

THE Girls' Athletic Association presents to the average Heights girl everything she may desire to make her high school career happier and more successful. Its officers are friendly as well as efficient. Mrs. Greenberg, an alumna of Heights, has been a substitute teacher for Mrs. Turner and has done a wonderful job of sponsoring the G.A.A., along with Miss Crane and Miss Bromelmeier. Peg Wilson, the president, has done marvels to enlarge and improve the G.A.A. Under her supervision a Bowling Club has been formed and a G.A.A. Girl's Play Day has been scheduled. You'll find that belonging to the G.A.A. means association with a spirited, hardworking group of girls.

YELLOW JACKETS

THE Yellow Jackets is an honorary organization into which girls are initiated after having won a varsity letter "H" in any of the sports: field hockey, basketball, baseball, tennis, or swimming. One of the main duties of the Yellow Jackets is to keep the cafeteria in order fifth and sixth periods. Thanks should go to this club for the wonderful way they keep our lunch room clean. The purpose of Yellow Jackets is to have fun, and many spreads are given. A good time is enjoyed by all when new girls are initiated, for afterwards a spread is held and the new members are cordially welcomed into the club by the older members. This year most of the girls have yellow jackets which they wear at G. A. A. meetings to distinguish themselves. This organization was started long ago, and the high ideals have been carried on this year under the leadership of Mary Lou Olson, who is their president.

ATHLETIC CLUB

THE Athletic Club is considered to be one of the biggest clubs of the G. A. A. All girls in the school are urged to join, and the membership has been more than two hundred this year. Sponsored by Miss Crane and Mrs. Greenberg, and headed by Marge Wilmer, the president, this organization has brought girls' sports into the spotlight. Many different sports are offered, varying with the seasons. In the fall, field hockey is played, followed by basketball. After the basketball season swings to a close with the exciting Case-Reserve all-star game, the girls enthusiastically turn to the spring sports, volleyball and baseball. This year, two vice-presidents were elected, Doris Weeks and Jane Kuhn. They also have done a great deal to make the Athletic Club a success.

ATHLETIC CLUB

A LOVE of good sportsmanship is developed in the Athletic Club girls by the exciting game of basketball. As soon as the hockey season closes, basketball starts off with a bang. All girls who are interested in basketball are put on teams, headed by a capable Senior captain. A series of games are played and this year Pat Olmstead's team, by defeating Doris Weeks' team, took the basketball crown. In the second semester all girls are invited to try out for basketball teams which are divided in classes. Then there is a round-robin tournament between the Black and Gold teams of the classes. The all-star team is chosen, and the annual Case-Reserve all-star basketball game takes place. This is really the highlight of the Athletic Club. After the game, a tea is held in the club room, and the lucky girls who make the varsity are congratulated. The Athletic Club is certainly the place for active girls who enjoy good clean sport.

ATHLETIC CLUB

IN the fall, the Athletic Club centers its attention on field hockey. This may seem like child's play to some of the boys who frequently watch the game, but many girls have discovered that there is really a technique in learning the game of hockey. Several afternoons, girls are seen running up and down the field amid drops of rain, but very few complain of the weather but rather that they must stop playing. This is a real out-of-doors sport for real girls. This season was the first time that a Case-Reserve all-star hockey game was played. It proved to be a fight to the finish, but after a well-played game, the Case team emerged victorious. With the advent of spring, many girls become interested in baseball. An all-star baseball game is played and a varsity team is chosen in this sport. If you are truly interested in sports, join the Athletic Club.

TENNIS CLUB

THIS year the Tennis Club has continued the good work it has done in previous years. Providing a chance for those girls who are interested in playing tennis, this club also teaches them how to play. Peg Fulton has led the club this year, under the guidance of Miss Bromelmeier and student teachers. Batting the ball against the wall in the gym is great practice for acquiring skill in various strokes. That is, it is good if the ball doesn't hit the corners and bounce off—as it usually does. Of course, in the spring and fall the outside courts are open and the girls can play to their hearts' content. The important event of the year is the annual tournament held after spring vacation. All of the girls strive to improve their skill during the year so that they will be eligible to play in the tournament.

LIFE SAVING CLUB

IN order to find a group of excellent swimmers, go to the swimming pool any Friday afternoon, eighth or ninth period, and there you will find the members of the Lifesaving Club. They have worked out a system this year so that if a girl does not stay until 3:30 she has to bring three dozen cookies to the next meeting. These girls practice their strokes and dives and in the spring work to pass their Junior and Senior Lifesaving tests, so that they can qualify as a pool guard. They have all received blue swimming suits and have sewed their emblems on them. Besides working on their tests and strokes, the girls have splash parties and spreads for girls of other schools. In the fall they always have a swimming meet. This year the officers, whom they have chosen to lead them, are: Dorothy Kemper, president; Bonnie Buttner, vice-president; Marge Wickham, secretary; Lillian Matz, treasurer.

SWIMMING CLUB

THE members of the Swimming Club are girls who like swimming enough to work and pass hard tests in order to gain membership in this organization. They spend every Monday in the pool and at this time practice their strokes and dives. The girls also are instructed in form swimming and rhythmic swimming. A business meeting is held once a month. They sponsor an annual inter-class swimming meet which is open to everyone. In the way of entertainment, they have splash parties and spreads for other schools as well as for themselves. Once they entertained the boys of our swimming team. Bonnie Buttner is the able president, under whose direction their events have been very successful. The other officers are: Joan Schwalb and Gertrude Walters, vice-presidents; Lillian Matz, secretary; and Pat Johnstone, treasurer.

CADET LEADERS

THE Cadet Leaders are rapidly becoming one of the most important organizations of the G. A. A. They might be called the backbone of the girls' gym classes, since without this help very little could be accomplished in the large classes. Under the leadership of Ruth Ann Bales, the girls this year have enlarged their program to include many outside activities. Some of them gained distinction at Laurel School by their excellent records in playing hockey against other schools. Others of them enjoyed playing basketball with girls from other schools at the Central Y. W. C. A. In order to become a Cadet Leader, girls must understand the rules and regulations of the various games that are played in the gym classes, including hockey, volleyball, basketball, and baseball. This club gives the girls a chance to participate in the games they enjoy and to have a good time socially, in the form of spreads and other affairs.

LAKEWOOD 6

IN a very close game a fighting Heights eleven went down to defeat at the hands of Lakewood's powerful Rangers, 6-0. The Purple, led by tailback Hugh Jones, scored early in the first quarter on a 49 yard sustained drive. The tally was registered by Jones, who knifed over from the 3. Although the Tigers fought valiantly they were unable to penetrate Lakewood territory to any considerable extent. Standing out for the Tigers was the punting of big Bob Drury and the sparkling play of backs, Howard and Schmitt. This game proved fatal to Heights' championship hopes as it was their only Lake Erie League defeat.

HEIGHTS 6
LORAIN 0

STARTING a relentless drive directly after receiving the kickoff, the Bengals scored the only touchdown of the day with Bill Schmitt plunging over from the 4 yard line. Bob Drury's place kick for extra point was wide. In the second half Lorain started to show its power. Twice the Tigers beat off the Steelmen from pay territory with a beautiful display of line power. A Lorain rally, in the closing minutes of the game, was nipped when Ed Godfrey intercepted a pass from Truscello as the crack of the pistol brought the game to a close. The Hilltopper line proved its merit in this contest by its solid rock defense.

HEIGHTS 13
EAST 6

EARLY in the first quarter the Tiger power became evident as Bill Schmitt took the ball on the Heights' 37 and ran 60 long yards before he pulled down on the East 3. From here Jud Whelan plunged over for the score. Schmitt's line plunge for the extra point was good. Score, Heights 7-East 0. During the second quarter Chuck Pask, Tiger center, intercepted an East pass, once more the Tigers were on the march. The high point of this drive came when Bill Schmitt smashed over for the score. An attempted conversion failed and the Bengals led by two touchdowns. East's only tally came as the climax of a 55-yard march, as their extraordinary passer, Stan Carras, cracked over the line late in the game. East's try for the extra point was unsuccessful and the score rested at 13-6 as the gun sounded.

HEIGHTS 12
SHAKER 6

THE fighting Bengals chalked up their fourth consecutive victory as they defeated Shaker's tricky Raiders 12 to 6. Heights' attack began early in the first quarter when Dick Howard intercepted a Shaker pass on the Raiders 32 yard line. After an accurate pass from Howard to Schmitt, the latter bulleted off tackle for the Tigers' first tally. Then Shaker's classy attack started to function. Combining baffling reverses with bullet passes, Shaker marched 75 yards for a touchdown, climaxed with Bill Lister going over from the two. The Tigers raged back with the deciding score of the game in the second quarter. From Shaker's 25 yard line Howard shot an aerial to Schmitt who raced over for the final Height's score. Once more the Bengal offense was highlighted by Bill Schmitt, a fellow who has "got it in the clutch."

FOOTBALL

FLASHING a powerful attack, the Hilltoppers soundly walloped the Tarblooders from Glenville. Heights scored a safety early in the second quarter when Gottliev, Glenville back, stepped out of the end zone in an attempt to kick. The Hilltoppers, led by the excellent play of Howard and Schmitt, added 12 more points to their total in this quarter. Heights tallied again in the third quarter when Bob Drury intercepted a Glenville pass and sped 23 yards for a touchdown. Climaxing a 73-yard drive, the Tarblooders finally scored, as Berman drove over from the four yard line. Mike Magri gave Heights its last score as he intercepted a desperate Glenville pass and raced 30 yards to the goal line.

HEIGHTS 0
SHAW 0

IN the most important game of the season for both teams, the Tigers battled Shaw's mighty Cardinals to a scoreless tie before 9,000 screaming fans at Shaw Stadium. This game brought out the marvelous kicking of Bob Drury, Heights' sterling tackle. Time and time again Drury's kicking set the Cardinals on their heels. Probably the Hilltoppers only scoring threat came in the second quarter when they drove to the Shaw 11-yard line, only to be halted by the gun ending the first half. The most thrilling moment in the game occurred when Dick Clark, Shaw back, raced 80 yards on a beautiful off tackle smash to the Heights' eleven yard line where Howard knocked him out of bounds. The rest of the game showed both teams battling valiantly up and down the field and heaving desperate passes. In this game the Tigers line made their finest showing of a brilliant season in halting the flashy Shaw attack. Coaches Vannorsdall and Gordon are to be congratulated on Heights' excellent showing this year.

BASKETBALL

A WELL-rounded quintet led by Harry Gordon, our excellent center, opened the 1941-1942 basketball season with an impressive 44-21 win over East. After drubbing Garfield 62-26 and Collinwood 33-29, the Tigers were definitely considered a threat in Lake Erie League play. The Hilltoppers lived up to early expectations by walloping Elyria in their first League contest 48-25. They followed with a win over Shaker, 40-29, and were deadlocked for the League lead. This caused considerable excitement among Bengal rooters as Lakewood was next to invade the Tigers' lair.

In a battle which saw the lead see-saw back and forth, Lakewood finally emerged victorious and handed the Tigers their first defeat. The Black and Gold came back to trounce Shaker 38-24, Lorain 45-34, Shaw 33-30 and Elyria 35-26. Following this game the cagers were dealt a terrific blow as Harry Gordon left after graduation. Heights was then defeated 39-35 at Lincoln, 43-32 at Lorain, and once again at the hands of Lakewood, this time the score being 30-25. In the last game of the season the Tigers regained their early season form by nosing out their arch-rival, Shaw, thus ended a successful season for the Heights' Basketeers with 10 wins and 4 losses. With returning lettermen Bill Perry and Al Davis and an excellent group of juniors, Heights can look forward to another fine showing in Basketball next season.

THE Heights Swimming Team had its ups and downs all through the 1941-42 season. Three returning lettermen, Jack Sharer, backstroker, Seymour Rosen, diver, and Chuck Pask, freestyler, made up the nucleus of the Tiger swimming machine. The new comers to the team, Tom Fulton, diver, Craig Smith, Ed Godfrey and Chuck Petot, free-stylers, Howie Rosenburg and Jim Sturrock, breastrokers, and Harold Krause, backstroker, helped keep it rolling. Jack Sharer, who broke the pool record three times in the back-stroke event, won fifteen straight meets. He was also a potent factor in the fine showing of the medley relay team, composed of Sharer, Rosenburg, and Smith.

Although the team showed considerable weakness in the Championship meets, its achievements in the dual meets showed that Heights still had a team about which it could boast. During the year the Black and Gold mermen won six out of ten dual contests, but they finished second in the Greater Cleveland Scholastic Championship and third in the Lake Erie Championship, and, as a result, lost both trophies which had been in their possession for a year. With Craig Smith transferring to Shaker High and with eight members of the squad leaving in June, Coach Roy Uber will have to rely on Tom Fulton, Jack Sharer, Howie Rosenberg, Bob Mishne, and Jim Becker, the returning lettermen, to bring Heights another outstanding swimming team next year.

DUE to bad weather, the first dual meet of the season, with Rhodes, was run on a sloppy course, and the closest Heights runner, speedy Ray Imhoff, placed fourth. The final score was 44-17, in favor of Rhodes. However, in their last dual meet Heights defeated their arch-rivals, Shaw, 35-20. The Tigers finished their season by placing sixth in the District meet. The harriers who ran for Heights this year were Bill Stearns, Bill Myers, Ray Imhoff, John Wickham, and Bill Rossington.

TENNIS

THE Heights netters brought another coveted championship to Heights by winning the Greater Cleveland Tennis Trophy in the spring. In the fall the Tennis Team lost the Lake Erie League Championship to Lakewood by one lone point. Sparking the Tiger attack were Herb Altman, Marv Slessinger, Lorry Bleiweiss, Bob Gruener, Jack Frankel, and Ray Berkoff. This year's group of racqueteers rate high again with the return of many of last season's capable reserves and Lettermen Bleiweiss, Frankel, Berkoff, and Gruener. We take our hats off to Coach Behney for the many great tennis teams he has turned out at Heights.

GOLF

THIS year's golf squad, coached by Mr. Hagaman, is greatly handicapped by lack of experience. Losing all of his first team due to graduation, Mr. Hagaman has had to mould his squad from the following golfers: Harvey Hohlfelder, Jay Opper, Dick Freeman, Elmer Klopper and Bill Sparker. The Tigers lost their opening match to Shaker 15 to 1, but as the season progresses, the team will gain more experience and win their share of matches.

TRACK

THE 1941 track team was one of the finest Heights has ever had. Staging a thrilling finale to a good season the Tigers tied for first place in the state meet at Columbus. This was due to the winning efforts of some of the best runners in Heights' history. Bob Little in the 440-yard dash and Eugene Whipple in the half mile each took firsts in their events, the latter equaling his performance of the previous year. Others on the championship team were Sam Sheppard and Jim Ferris, who together with Little and Whipple, formed a record-breaking mile relay team. Little added to his points by taking second place in the broad jump.

Other point gatherers during the season were Bob Grandy and Bob Drury in the weights, Pat Sheehan, Doug Meaden, and Charles Pennington in running events, Tom Rogers in the pole vault, and Armond Arnson in the hurdles.

Indications are that this year's team will be a peppy, spirited one that will win its share of events and honors.

Uber, Mascot, K. Willson, M. Magri, R. Reemsnyder, H. Broadbent, B. Perry, B. Young, M. Wilson, G. Springer.

LAST year the Tigers had a mediocre season by winning 6 games and losing 7. It was due to a lack of batting strength that Heights lost most of its games. Bob Fleming, Jim Carnes, and Howard Broadbent played great ball for the Tigers all last season.

This year's ball team should better last season's record considerably. In their first game the Tigers looked great by defeating the alumni, 5 to 2. The team is formed around returning lettermen Mike Magri, Ken Willson, Al Davis, and Cy Camposo, Bill Ward, Bill Velotta, Frank Hunter, Art Hayman, Dan Hutchins, and Bill Gunton also help to raise the championship hopes of Tiger fans.

INTRAMURAL MANAGERS

A VITAL cog in the playing of inter-homeroom sports is the service rendered by the Intramural Managers. With these boys as referees and scorekeepers, the following sports are open for competition annually: track, swimming, touch football, baseball, volleyball, and basketball. In addition to these important tasks the boys are intrusted with the management of athletic equipment, the pool, and the gym. They contribute unselfishly toward the efficient organization of athletics which in this age is so necessary. As a reward for their valuable help these industrious boys receive regular Heights letters.

Wickham, B. Stearns, S. Rosen.

CHEERLEADERS

THIS year's squad of cheerleaders was one of the finest ever witnessed at Heights. Flashing pep and vigor, the megaphoners led Tiger fans through another exciting athletic season. The squad was composed of "Pete" Grim, Jack Sheehan, Bill O'Donnell, and Jim Frolking. These boys did an excellent job throughout the year and should be commended for their unbounded enthusiasm.

INTRAMURAL MANAGERS

LAST ROW: I. Wallach, C. Schreck, Mr. Uber. SECOND LAST ROW: D. Mock, S. Silverman, B. Mercer.

VARSITY H-CLUB

THE H-Club works to create and maintain a better spirit of athletics at Heights. The Cafeteria Guards are made up of H-Club boys, who see that the cafeteria is kept neat and orderly during lunch time. Each year the H-Club does its part to support spring sports by producing an excellent show which is always one of the best student offerings of the year. The H-Club is a valuable part of Heights and is a true asset to the school.

Officers of this year's H-Club are: Bob Grandy, president; Sam Sheppard, vice-president; Bob Drury, secretary; and Ken Willson, treasurer.

CHEERLEADERS

J. Sheehan, J. Frolking, B. O'Donnell, P. Grimm.

The Day You Graduate . . .

from Cleveland Heights High School will be one of the most important in your life. Most of you will have a decision to make. You must decide whether you will go on with a program of higher education or if, circumstances dictating, you are to seek your niche in the world of business.

We hope you will be able to continue with your education in some specialized field, if possible, but if not this, at least a further broadening of your viewpoint through the curriculum necessary to obtaining a college degree.

For those who must necessarily become wage earners on graduation, The Cleveland Pneumatic Tool Company offers a number of opportunities . . . particularly to those who have had machine shop experience or technical training.

The Cleveland Pneumatic Tool Company, founded in 1898, is known throughout the country as one of the most progressive in its field. Practically every article this Company makes is used somewhere in the Victory Program. These products include landing gear for aircraft, pneumatic tools for the aircraft industry, pneumatic diggers and demolition tools for Army cantonment work, and the famous GRUSS Air Springs for Army heavy-duty trucks.

In the coming development of the aircraft industry, this Company will continue to occupy a position of prominence and prestige as a result of almost a half century of manufacturing experience.

Dear Sam,

For many years I've been a good friend and teams mate of your's. Now our Ways are parting but I hope that we can see a lot more of each other and I hope we can always keep in touch with each other. Keep up the fine record which you have now started and I know I'll be even more proud of you in years to come than I am now.

Your friend always,
Al
